Design Pro Appliqué Mat

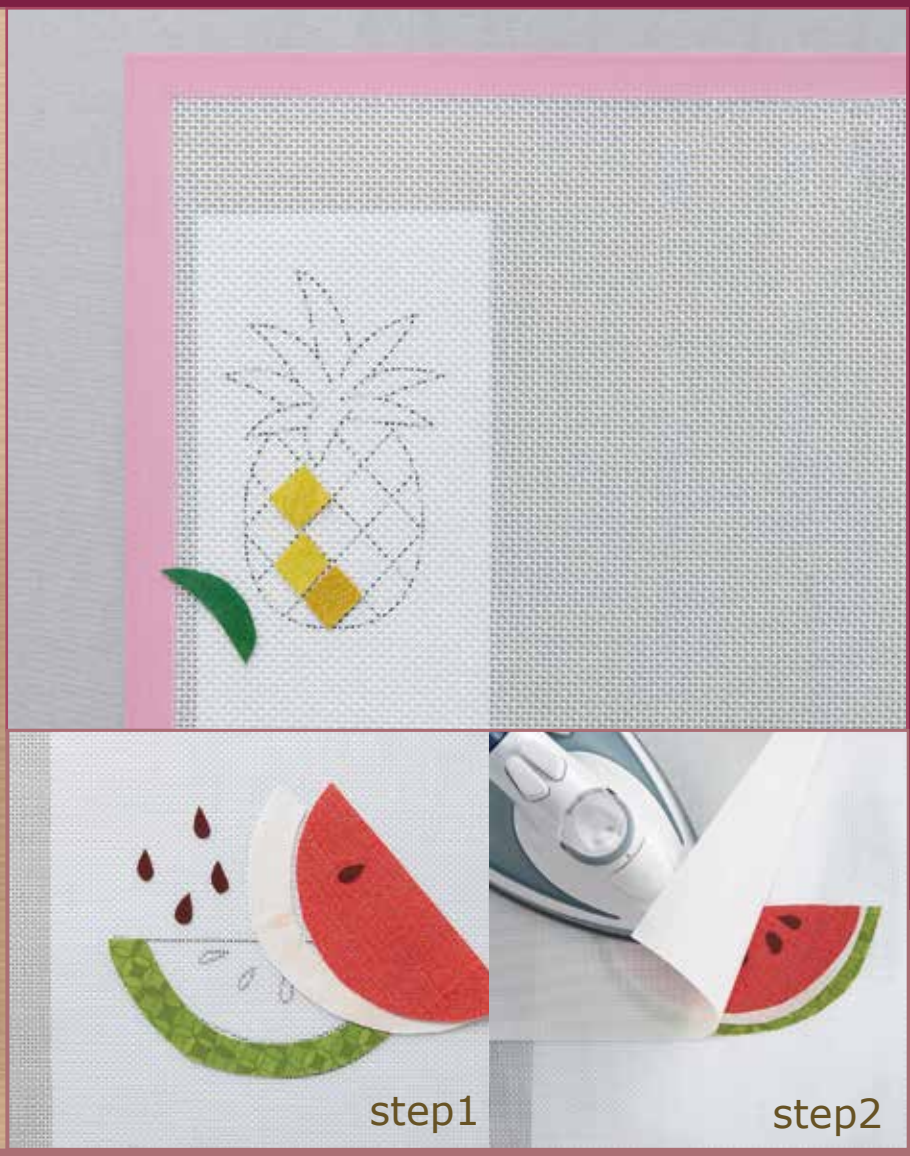
New Product 2022

Art. No. 4095

0 51221 74095 4

The Design Pro Appliqué Mat is the ultimate tool to assist in the creating process of appliqué.

The surface has a holding type component which secures the pieces in place while we press them into the design!



Comes with a handy Teflon pressing sheet to protect your iron from getting any Fusible on it.
