

Flower Scrunchie using Flower Loom

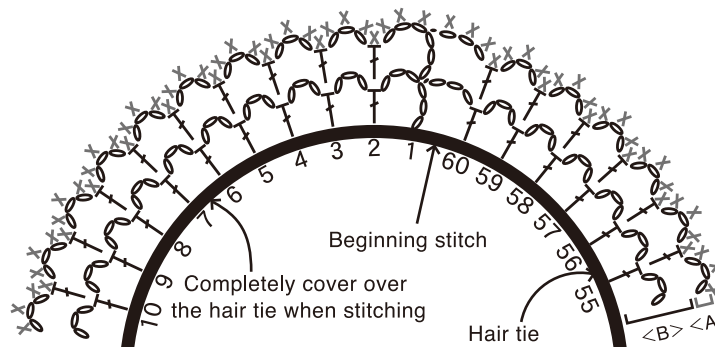

Flower Scrunchie A

1. Make 5 flower motifs. Please consult the Flower Loom user's manual on how to make them.
 - (a). Using color B and small circle loom, apply a second thread to each stitch.
 - (b). Stitch as shown in the diagram to the right, using four threads of color A around the circumference.

2. After making an initial stitch, attach the hair tie and slip stitch the two ends of the chain together to form a loop.
3. Following the diagram below, continuing stitching, eventually covering the whole hair tie. Finish it off by completing the slip stitch.

<A> : Color A
 : Color B

Tools

- Soft Touch Crochet Hook (4.0 mm / Art No. 1007) or Amour Crochet Hook (4.0 mm / Art No. 1045)
- Flower Loom (Art No. 3146)
