• [Bias Tape Cutting Ruler \(Art No.57-924\)](#)

• jewellery making pliers

• jewellery wire cutters

Enjoy a variety of combinations to create your own individual style!

# Pom-Pom ear accessories

## Materials

- Soft Tulle fabric cut into 4 strips, each 2cms wide x 35-40cms long
- 2 x 4mm Jump rings
- strong hand sewing thread ( to tie pompoms)
- earring findings x 2 pcs (loop type)

## Making

1

Wind one tulle fabric strip around the arm of Pom Pom Maker. (☆)

Repeat (☆). using another tulle fabric strip on the other arm of the Pom Pom Maker.

tip: Twist fabric strips whilst winding. Tulle pompoms come out beautifully. Do not stretch tulle whilst winding.

# Pom-Pom ear accessories

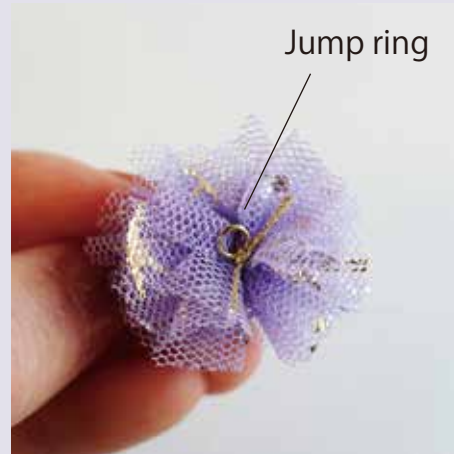

2

Follow the instructions to complete the pom-pom, using a strong thread to wind twice around the centre before tying with a knot to finish.

See full instructions here :

<https://www.instagram.com/p/CMMK2ayHMUS/>

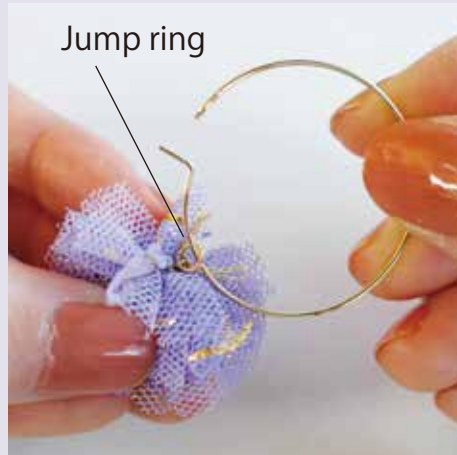

3

Before cutting thread ends, pass a jump ring through one of the threads, then knot both thread ends again firmly before cutting the remaining thread ends to 5 mm. Trim away any stray bits of tulle to create a ball shape.

# Pom-Pom ear accessories

4

Repeat Steps 1 and 2 to make a second pom-pom, attaching a jump ring as in step 3.

Insert earring finding onto the jump ring.

Finished!

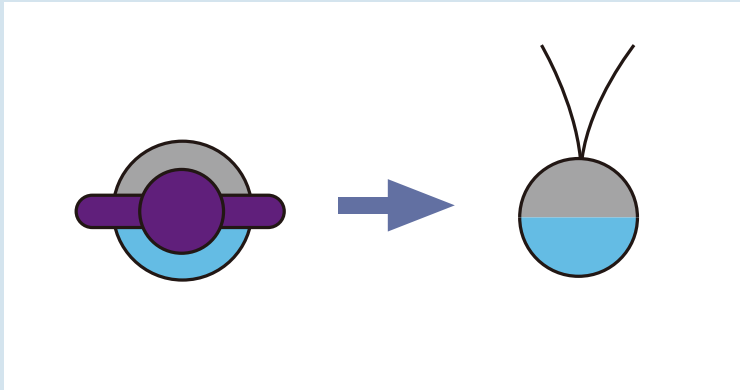

## Materials

- 4 x Soft Tulle fabric strips: 2 cm wide x 35-40cm long (we used 2 colours to give a two-tone effect)
- Jump rings: 4 mm x 2 pcs, 3 mm x 2 pcs
- 2 x 20mm Double eye pins
- hand sewing thread ( to tie pom-poms)
- earring findings x 2 pcs (hook type)

# Pom-Pom ear accessories

## Making

1

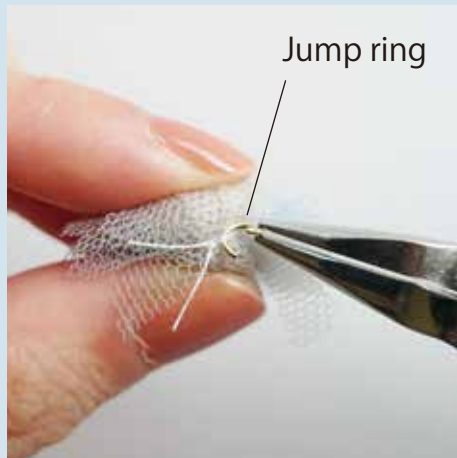

The basic steps are the same as project **[A]** .

Wind tulle fabric strip, colour 1 to one arm of Pom-Pom Maker and colour 2 to the other arm.

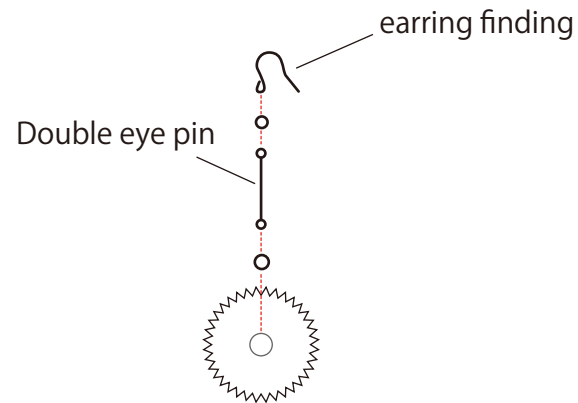

Follow instructions for making a pompom. Tie and knot thread around pom-pom centre before snipping back the loose ends to 5mm.

2

Jump ring

### How to join the parts

earring finding

Double eye pin

Repeat Step 1 to make another pompom.

Attach a jump ring to the centre thread as illustrated. Join each part as shown in diagram.

# Pom-Pom ear accessories

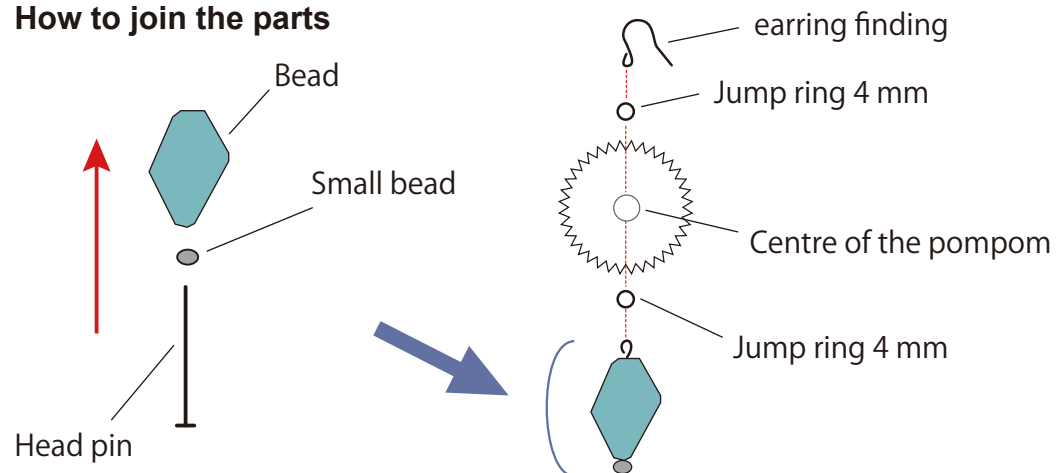

## Materials

- 4 x Soft Tulle fabric strips : 2cm wide x 35-40 cm long
- Jump ring: 4 mm x 2 pcs
- Head pin: 40mm x 2 pcs
- hand sewing thread ( to tie pompoms)
- big beads with a centre hole x 2 pcs
- small beads with a centre hole x 2 pcs
- earring findings x 2 pcs (hook type)

## Making

### How to join the parts

Follow step 1 & 2 as in project **[A]** to make pompoms. After tying thread around centre of the pompom, snip ends to 5mm.

Attach jump ring securely to the centre thread. Join each jewellery part as illustrated. Trim away surplus wire after bending it back to the bead.

D

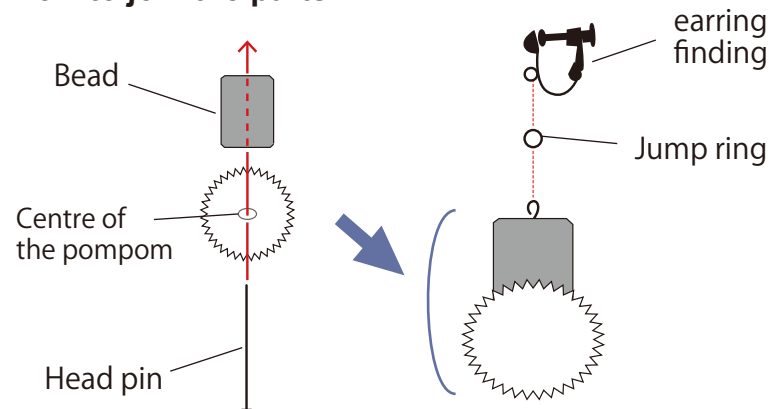

## Materials

- 4 x Soft Tulle fabric strips : 2 cm wide x 35-40 cm long
- Jump ring: 3 mm x 2 pcs
- Head pin: 40mm x 2 pcs
- hand sewing thread ( to tie pompoms)
- Plastic beads with a centre hole (approx. 20 mm) x 2pcs
- earring findings with attached loops

## Making

### How to join the parts

Follow step 1 & 2 as in project **【A】** to make pompoms. After tying thread securely around centre of the pom-pom, snip back to 5 mm.

Pass a head pin through the centre of the pom-pom. Then thread on the bead. Trim away excess wire after forming a loop as shown on diagram. Attach a jump ring and then the earring finding.
