

Spring Ombre Shawl

Designed by Debbie von Grabler-Crozier

The shawl is knitted in five shades of your chosen colour beginning with the lightest colour on the bottom and working through to the darkest at the top.

Colour one is the lightest of your chosen colours and colour five is the darkest.

Materials

- Yarn:
5x 50gram balls of mercerized cotton yarn in your chosen colour.
The yarn colours should ideally fade gradually from dark to light.

tip: You can make a rainbow effect too or simply use one colour. This is a great make to use some leftover yarn colours.
