

DIY Pom-Pom Sandals

1. Make fabric strip by cutting 2 cm (wide) x 200 cm (long) in total.

You do not need to have one continuous 200 cm long strip, you can make 100 cm x 2 pcs. or 50cm x 4 pc.

You just need enough fabric strip to fill the space of one side of the pom-pom maker.

2. Cut fabric down the center. Then, tie the half pom-pom with sturdy string at the center.

(This is the same way to make a whole Pom-Pom Maker)

Tools

- Pom-Pom Maker (Large) : 65 mm
- Patchwork Scissors (Mini)
- *sharp scissors with small blades to cut fabric winded on Pom-Pom Maker
- Rotary Cutter
- Ruler
- Cutting Mat

Material

- printed cotton fabric
2 cm(width) x 200 cm in total(long)
for 1 half pom-pom
- Sturdy string, such as nylon string
- Glue to attach pom-pom to sandal

DIY Pom-Pom Sandals

3. Remove from Pom-Pom Maker.

Half Pom-Pom is finished!

You can now attach the pom-pom to sandals or anything you want to embellish with pom-poms.
