Steps:

<Snowman>

1. With Air Erasable Marker, mark fabric for Snowman Body and hat. Cut pieces (template includes 0.5cm seam allowance).
2. Cut felt fabric for nose.
3. With right sides together, sew Body, leaving an opening. Turn right side out.
4. Lightly stuff with toy filling, fold in seam allowance at opening and close it with ladder stitch.
5. Seam side edges of nose to make it a cone shape. Attach nose to face.
6. With 4-ply dark brown yarn and Gold Eye Chenille Needle, make French knots for eyes and backstitch for mouth.
7. Fold hat rectangle piece in half vertically with right sides together and sew short ends together.
Work running stitch along top edge, pull to gather. Turn right side out and attach hat to head, folding in bottom seam allowance.
8. Attach buttons.
9. Cut scarf, wrap around neck and secure it with a few stitches. Attach jute string.
