

# Design Pro Appliqué Mat

New  
Product  
2022

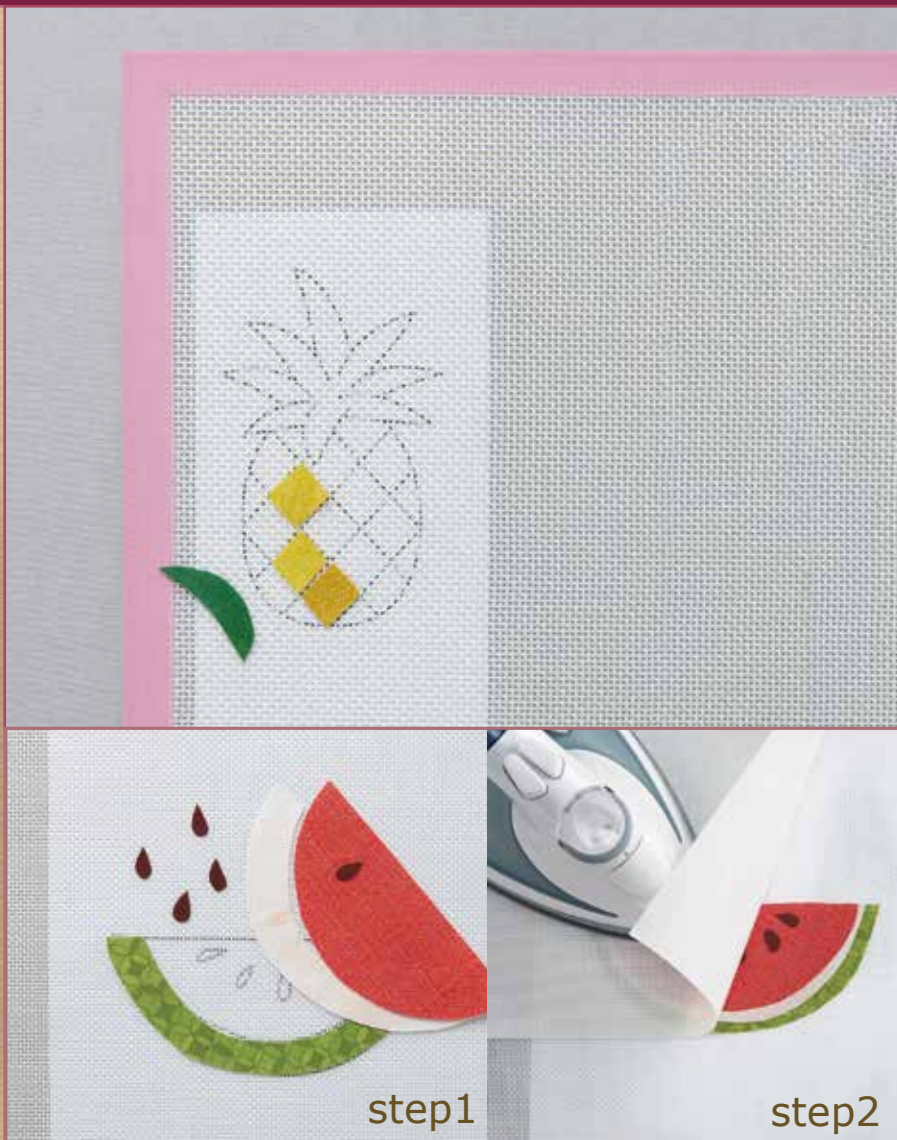

Art. No. 4095

The Design Pro Appliqué Mat is the ultimate tool to assist in the creating process of appliqué.

**The surface has a holding type component which secures the pieces in place while we press them into the design!**

***\*Comes with a handy Teflon pressing sheet to protect your iron from getting any Fusible on it.***
