## Instructions

1-1

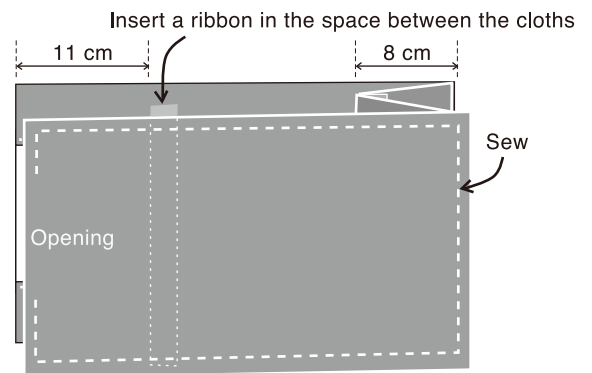

Connect the unbleached and brown colored outer cloths (wrong side facing up) together to create a 1 cm seam.

1-2

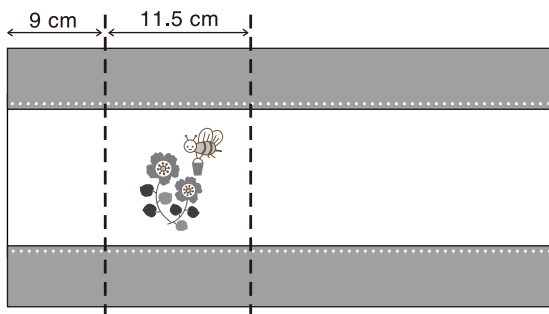

Open out the brown cloth and press the seam allowances towards the brown cloths so that the right side of the cloth is facing up. Sew a single line of topstitching through the right side of the brown cloths and the seam allowances.

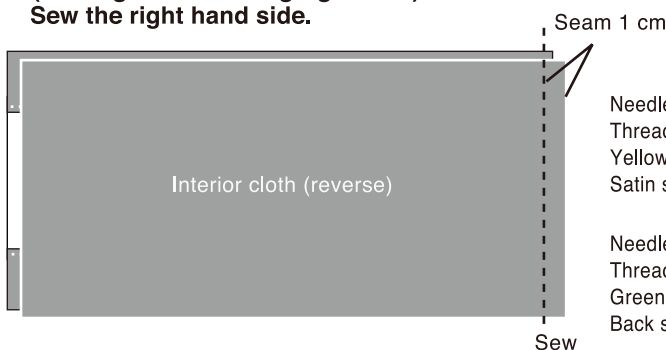

**4. Fold in about 8 cm at the stitched end. Insert a ribbon 11 cm in from the opposite end. Leave a slight opening to turn it back later and sew around.**

## 2. Embroider using a Embroidery Stitching Tool

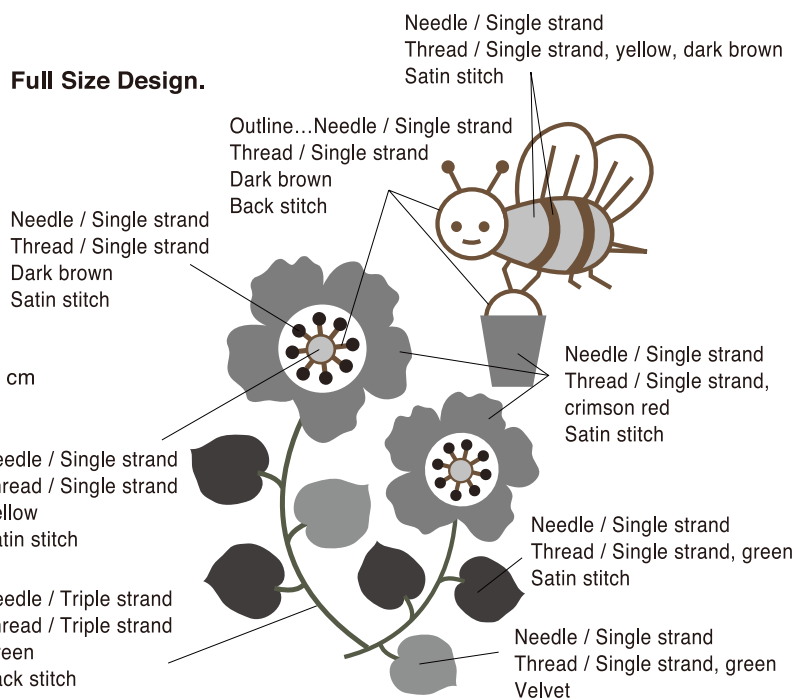

**3. Line up the exterior and interior cloths inside out (with right-side facing right-side). Sew the right hand side.**

**5. Turn the piece right side round, and close up using a blind stitch.**
