Kanzashi hanging ball

Making

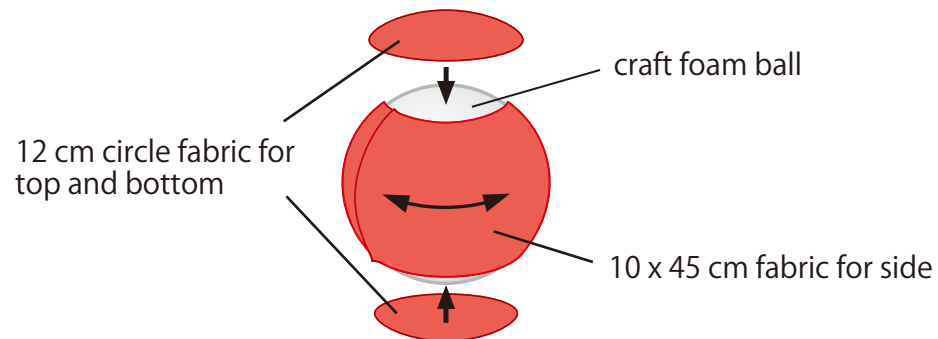

1

Make 22 Kanzashi flowers using the Kanzashi Flower Maker (Art No.8487) . Attach pearl beads to the centre of each one.

3

Attach Kanzashi Flowers to the foam ball as illustrated.

Make a hole with an awl on the top and bottom of the ball.

Using thick thread or cord, make a hanging loop and insert it into the upper hole. Use craft glue to bond the cord ends to the ball.

4

Insert another cord through the loop of the tassel and insert into the bottom hole of ball and fix with craft glue.

You can create your own Tassel with the Clover Tassel Maker (Art No. 9941).
