- Fabric glue
- 12cm x 17cm wooden photograph frame

# Framed picture: House/Sealife

## House

1. Transfer the motif onto the fabric, using Clover Chacopy.
2. Place the fabric in hoop.  
For the best result, use Clover Embroidery Hoop which grips the fabric firmly.

\* Please find the blog for Embroidery Stitching Tool on our website.  
<https://www.clover-mfg.com/blog/828>

3. Start stitching, using the Embroidery Stitching tool.  
Adjust the needle length to position 1.  
Referring to photo for colours, work outlines of house and tree.  
Fill in roof.
4. Hand stitch dots in tree with chenille needle.
5. Lightly coat the loops on the wrong side of work with fabric glue.  
Allow it to dry.
6. Gently press with iron.
7. Trim the excess fabric, insert the work in a photo frame.

## Sealife

1. Transfer the motif onto the fabric, using Clover Chacopy.
2. Place the fabric in hoop. For the best result, use Clover Embroidery Hoop which grips the fabric firmly.

7. Gently press with iron.
8. Trim the excess fabric, insert the work into a photo frame.

*\* Please find the blog for Embroidery Stitching Tool at the link below.*

3. Using the Embroidery Stitching Tool, adjust the needle length to position 1 and start stitching.  
Work outlines of each fish with light brown thread first and fill in colours, using satin stitch and referring to photo for colours.  
When you finish each colour, cut thread, leaving a fairly long end. Thread end through chenille needle and fill in any gaps with hand stitching if needed.
4. For pink coral leaf, make straight stitches with chenille needle and coral pink.
5. Work the details.  
French knot eyes with dark brown and air bubbles with sky blue.  
With dark brown, embroider mouth of yellow fish and crab, and make small dots on the tummy of the puffer fish.  
Embroider mouth of yellow fish and crab.  
Make small dots on the tummy of the puffer fish with dark brown.
6. Lightly coat the loops on the wrong side of work with fabric glue.  
Allow it to dry.
