Tail

Cut an 80cm length of yarn B and tie the ends together. Fold into three so you have six strands lying parallel. Hold both ends and twist the yarn tightly until it folds up on itself, insert one end slightly through the other to secure (in the same manner you would twist and secure a skein of yarn) and tie the end with another length of yarn. Cut the loops of the tied end and trim.

With cast-on yarn end of body, work a gathering thread along cast-on edge and draw tightly. Sew seam to neck and stuff. With cast-on yarn end of leg, work a gathering thread along cast-on edge and draw tightly. Sew seam to cast-off edge and stuff. Work all legs the same way and attach legs to body. Attach tail to body. With fastened-off yarn end, sew head halfway. With cast-on yarn end, work a gathering thread along cast-on edge and draw tightly. Attach safety eyes. Sew up a little further, stuff and close head. Seam ears and attach them to head. Fold hair piece lengthwise and sew each edge together. Attach hair to head. Seam and stuff horn. Attach horn on hair. With yarn F, embroider nostrils and mouth. Attach head to neck. Fold wing piece lengthwise and sew together the edges. Attach wings to body.
