## PATTERN NOTES

These gloves are a nice introduction to working small circumferences in the round and are very easy to make with double-pointed needles.

Clover DPNs come in different lengths.

If you can, use the shortest length (12.5cm) for the fingers and either 20cm or 16cm length for the hands.

## SIZES

S (M: L)

Finished palm circumference 14.5 (16.5: 18) cm

Choose a size approx 1cm smaller than your palm circumference

## GAUGE

22 sts x 28 rounds to 10cm, worked over stocking stitch and stranded colourwork using 4mm needles
