Full Size Diagram

■ Clover

1. Make Motif A follow the diagram on left.
2. Then make the second motif. On the 4th row connect to second motif with sc to the first motif that you' ve finished as shown on the full size diagram and finish 4th row of the second motif.
3. Start making 3rd motif. On the 4th row of 3rd motif: at the 5th petal connect the 3rd motif to 1st motif then connect to 3rd motif to 2nd motif at the 6th petal. Finish the row with sl st in the first ch of the row.
4. Ch18, dc in the 5th ch from hook, continue making stem by following diagram and connect the stem to the motifs as shown on diagram.
5. Continue working on the 2nd motif for first row of edging. When you reach to end of the 3rd motif where stem connected turn the working direction.
6. Ch1,sc2 in first chain space, sc3 in next chain space make 3ch picot on third sc, sc2 in the same chain space. Continue by filling all chain space with sc5 and 3ch picot on every 3rd sc through to end.
